

BRIAN THOMPSON – Managing Partner, Thorny Bleeder Records (CAN)

Brian Thompson, Managing Partner for Thorny Bleeder Records, is a Vancouver based music marketer, consultant, record label owner, artist manager, strategist, speaker, web designer and blogger.

Brian is also the creator and editor of the highly praised music industry daily newsletter, The DIY Daily.

Formerly the corporate head of music buying and marketing for a large national music retail chain, Brian has since moved on to become a well respected voice on the convergence of artist development, music marketing, social media, and technology.
