

SHAUNA DE CARTIER – Artist Manager, Six Shooter Records (CAN)

Founded by Shauna de Cartier, Six Shooter Records galloped into the limelight a decade or so ago, and since then has released 50+ albums and managed to keep 15 odd songwriters and bands in check. Along with its sister artist management company, Six Shooter houses a bevy of critically acclaimed artists, among them Luke Doucet, Melissa McClelland, the Deep Dark Woods, Justin Rutledge, Jenn Grant, Amelia Curran, the Good Lovelies, and more. Six Shooter lives by the motto “Life is Too Short to Listen to Shitty Music.”
